Walking by the Spirit Assignment

In these two passages Paul describes two ways we can live our lives: either walking according to the Spirit or walking according to the flesh.

Read the passages two or three times. Read them in at least 2 different versions.

As you read Romans 8:2-14, try to answer the following questions:

1. What has God done for us and what does he promise to do for us?
2. What are we required to do if we want to walk according to the Spirit? (Our part is more implied than explicit commands.)

Gal. 5:16-24

In Galatians 5 Paul describes the struggle between the flesh and the Spirit.

1. First summarize in your own words how Paul describes the struggle between the flesh and the Spirit.
2. How has this struggle played out in your life?
