

# For Dads Only one night seminar

by Joe Botti and Travis Henderson

Wednesday, December 2, 7 - 9 p.m.  
on Xenos Main Campus: 1390 Community Park Drive

Our topic for this one night workshop is, "Effective Discipline." Studies show that effective discipline is essential in child rearing. Neither permissive nor overly strict parenting works, yet we often gravitate towards one or the other. How do we find balance in this difficult area? Let's explore the importance dads have in this key area and look into practical ways we can be effective in our discipline. This seminar is for dads of children ages pre-school through early teens.

- Light desserts, coffee and pop provided.
- Hang around afterwards for fellowship, light snacks, and further discussions—byob.

Register by 11/30, then pay \$10 at the door  
To register: go to [www.xenos.org/classes/register](http://www.xenos.org/classes/register)  
or call 823-6510 and choose option 4  
or email registrar@xenos.org
