

GriefShare is a special seminar and support group for people grieving the loss of someone close. Each session, led by Randy and Lynda Jones, includes a video seminar and group discussion. The videos feature top experts on grief recovery, dramatic reenactments about living with grief and real-life stories of people who have experienced losses. During the small group discussion time, you'll have the opportunity to interact with others who have experienced a recent loss, learn about their experiences, and share your own.
