

INVESTIGATING *Christianity*

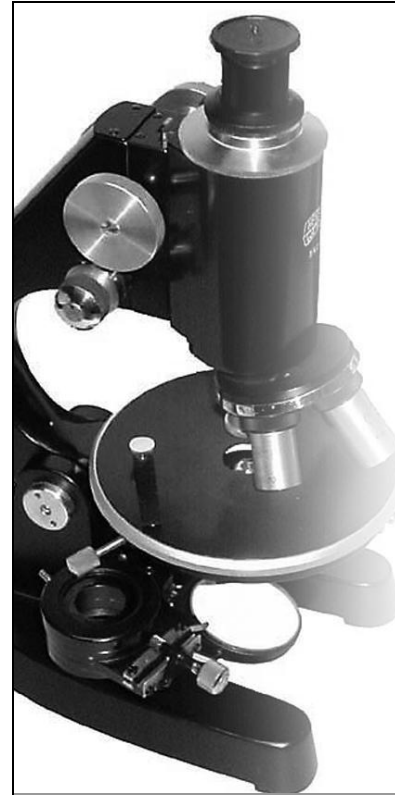

*a 5-week class
with Doug Rudy*

Why take the Bible seriously? Hasn't science proven the Bible wrong? How could a loving God allow so much suffering in the world? If Christianity is true, what does that say about other religions? These are great questions, and ones that deserve answers. In this class, these and other questions are carefully thought through. If you are investigating spirituality, including the Christian faith, but have questions or reservations that need answers – you should find these five discussions very interesting and thought-provoking.

**Wednesday nights, 7 – 9:30 p.m.
August 10 – September 14
(Skipping 9/7)**

Tuition is \$10 for all
(register before 8/9)
