

INVESTIGATING *Christianity*

A CLASS

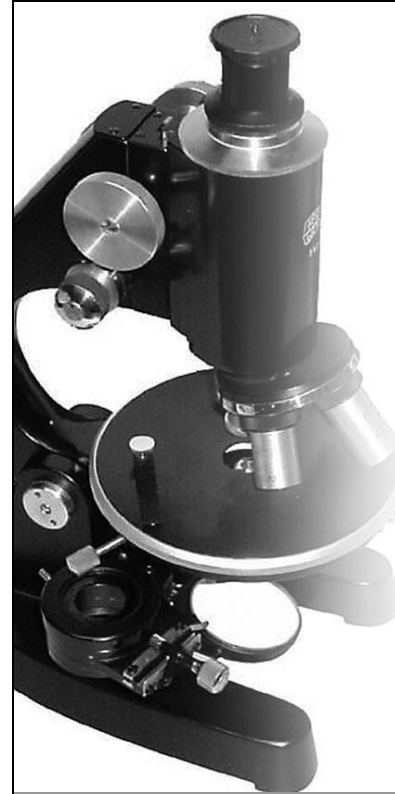

Investigating Christianity

a 5-week class with Doug Rudy

Why take the Bible seriously? Hasn't science proven the Bible wrong? How could a loving God allow so much suffering in the world? If Christianity is true, what does that say about other religions? These are great questions, and ones that deserve answers. In this class, these and other questions are carefully thought through. If you are investigating spirituality, including the Christian faith, but have questions or reservations that need answers – you should find these five discussions very interesting and thought-provoking.

This class will meet at Xenos Main Campus:
1390 Community Park Drive, Columbus OH
Wednesdays, 7 - 9:30 p.m. February 17 – March 17
\$10 pay at the door (register by 2/15)

To register, go to www.xenos.org/classes/register
Or call 823-6510 and choose option 4,
or email registrar@xenos.org
